

LONG SLEEVED HI-VIS ARC T-SHIRT

TS255M & TS255F

PRODUCT DESCRIPTION

The new Hi-Vis Long Sleeved T-Shirt combines advanced protection with everyday practicality. Its rib knit collar ensures a comfortable, secure fit, while the breathable fabric with excellent moisture management keeps you cool and dry.

Open cuffs with thumb hole feature for added comfort, offer freedom of movement, and the generous length provides dependable coverage. Featuring a SafetyICON with ELIM and High Visibility Rating, it guarantees compliance and confidence. The HEX design heat applied, flame-resistant stretch reflective tape enhances visibility and flexibility without irritation.

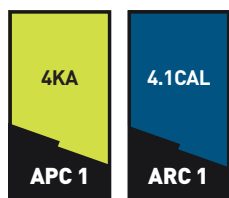

Designed with fits for both male and females working in high-risk environments, this t-shirt ensures you stay safe, visible, and comfortable all day.

MEASURING GUIDE

Measurements must be taken wearing clothing usually worn. The tape measure should be fairly loose and not pulled too tight.

- ✓ **CHEST/BUST** - measure under the arms at the fullest part around the chest horizontally with arms by your side
- ✓ **SEAT/HIPS** - with the feet together, measure around fullest part

Once measurements are taken compare them to the fit guide measurement tables to find your Jacket and Trouser size.

Please note when using the measurement tables that all manufacturing tolerances and standard garment over-measures have been taken into account. This ensures any slight variances in manufacture or fabric shrinkage after washing will not affect the fit of the garments.
